## BOOK SYNOPSIS

In this thrilling novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas finds herself in the middle of a conspiracy when she investigates the disappearance of a former U.S. Senator. Just as Dennis Mira is about to confront his cousin Edward about selling the West Village brownstone that belonged to their grandfather, he gets a shock: Edward is in front of him, bruised and bloody...and then everything goes black. When Dennis comes to, Edward is gone. Luckily Dennis's wife is a top profiler for the NYPSD—and a close colleague of Lieutenant Eve Dallas. Now Eve is determined to uncover the secrets of Edward Mira and learn what enemies he may have made in his long career as a lawyer, judge, and senator. A badge and a billionaire husband can get you access to places others can't go, and Eve intends to shine some light on the dirty deals and dark motives behind the disappearance of a powerful man, the family discord over a multimillion-dollar piece of real estate...and a new case that no one saw coming. From the Paperback edition.
