BOOK SYNOPSIS

Having Your Baby Through Egg Donation is a helpful, authoritative guide to negotiating the complex and emotive issues that arise for those considering whether or not to pursue egg donation. It presents information clearly and with compassion, exploring the practical, financial, logistical, social and ethical questions that commonly arise. This fully updated second edition also includes recent developments in the field, including travelling for egg donation and the emerging field of epigenetics. This book will be valued by all those considering or undergoing donor conception, as well as the range of professionals who support them, including infertility counsellors, psychologists, therapists and social workers.
