BOOK SYNOPSIS

What if you could have everything you've always wanted, but it cost you the life you've always known? Rafe Ranier was my boss and secret crush. A rock musician by night and head of a billion dollar empire by day, Rafe could have any woman he wanted. But I was just the shy secretary he never noticed. For years I obsessed over him, until I finally realized I had to walk away. I needed to leave my secure life behind to discover who I really was. I never expected Rafe to follow me. Now I'm on the road with his band, Savage Kiss, and all my secret fantasies are coming true. But I fear I've made a huge mistake, because if I get any more attached to a man I can never truly have, my heart will be broken beyond all repair. "Utterly hot, intense, fierce, and passionate, Opal Carew's writing is amazing. Top pick!" -The Romance Reviews
