Add some fizzy sparkle to your life and discover the delicious and refreshing world of homemade soft drinks. Drawing on centuries-old traditions from American general stores and pharmacy soda fountains, this fun and informative guide has recipes for perennial favorites like birch beer and ginger beer, as well as more adventurous concoctions like Molasses Switchel and Dandelion Champagne. Stephen Cresswell provides easy-to-follow directions that cover everything from extracting the earthy undertones of sassafras for an exciting root beer to whipping up a caffeine-charged Coffee Whizzer.
