BOOK SYNOPSIS

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how ones finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly under the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what youre really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "its not what you make....its what you keep." o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can. o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step. o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.
