BOOK SYNOPSIS

Behind Closed Doors Seth Mackey knows everything about the women his boss Victor Lazar toys with. But Lazars latest plaything, Raine Cameron, is different. Raine is pure temptation, but Seth cant slip up: hes convinced Lazar had his half-brother killed and plans to prove it. But then he finds out that Raine may be Lazars next victim... Raine has her own reasons to seek revenge on Lazar, and she will, despite the distracting presence of Seth Mackey. He stirs her most erotic fantasies...and inspires her bold plan. Offering her body to him, surrendering to his ruthless desire, might well push her beyond all emotional limits--and beyond fear itself. Standing in the Shadows Connor McCloud can never forget the day he was almost killed by his friend Ed Riggs. It cost Connor what he wants most--Eds daughter Erin. He can never have her now, but her beauty still haunts him. When an old enemy resurfaces, Connor is prepared to do anything to protect Erin. Erin has been harboring secret fantasies about Connor McCloud since she met him--but that was before he sent her father to jail. Now Connor is knocking on her door, telling her she needs his protection. Hes sworn to guard her with his life and his fierce protectiveness awakens long-buried feelings... Out of Control Davy McCloud has one rule: never follow blind impulse when it comes to women. But he breaks it the instant Margo Vetter shows up at the gym next door. The sexual hunger--and the instinctual protectiveness--she awakens is much too strong to resist. Broke and on the run, Margot has no one to turn to. But the closer Davy gets, the more Margot discovers that holding back from this enigmatic, powerful man is impossible. In every way... Edge of Midnight On the very day an arsonist burns down Liv Endicotts bookstore, she finds fate has another shock in store for her. Amid the smoke, rubble, and tears, Sean McCloud appears, calling her name. Hes still the man she kept on wanting. But wanting is not the same as trusting, and she doesnt dare let him get too close. But a ruthless killer is gunning for Liv, and shell die unless they join forces to unearth a chilling truth--and come together in a blaze of searing passion... Extreme Danger Nobodys home when Becca Cantrell takes a midnight skinnydip--and gets hauled out by a guy with burning eyes. The man is the embodiment of her most intense fantasies. And shes up for risky thrills... Nick Ward cant tell her that hes spying on a vicious Russian crime boss. Becca could be an assassin sent to kill him, a call girl sent to distract him, or the worst scenario of all--a clueless innocent. Anyway he looks at it, shes trouble: beautiful, bare, dripping-wet trouble... Ultimate Weapon Covert operations are what Val Janos is all about. The man is mysterious and sinister, and lethally hot. Only Tamara can understand the strange intensity that drives him to win at all costs--and only she can match it. Val has one weak spot: Imre, the man who befriended him when he was a scared, hungry kid abandoned on the streets of Budapest. But Daddy Novak knows about Imre, and his head is on the block if Val doesnt deliver Tam up to Novaks tender mercies... Fade to Midnight Beaten and tortured, Kev Larsen was found 18 years ago in an alley. He survived the ordeal, but lost all his memories from before that night. When he nearly dies saving someone from drowning, the surgery to save his life triggers fragments. With only these fractured scenes to guide him, Kev is determined to unlock the secrets to his past. Edie Parrish is good at keeping people away. If the wrong person were to learn of her gift, her life would be in jeopardized.
