A funny, heartfelt novel about second chances at love from beloved bestseller Jill Mansell. When it comes to love, never say never. When Nancy discovers the expensive jewelry her husbands been buying isnt for her, she decamps from the Scottish countryside to her best friend Carmens posh Chelsea town house to sort things out. Nancy finds herself in a surprising new world, where rock stars are nicer than you thought, social workers are not necessarily to be trusted, and the filthy rich are folks with problems just like you. Everybody falls in love with the wrong people, and the path to true love twists and turns before you discover who you really want.
