BOOK SYNOPSIS

With balanced coverage of art across the chronological and geographical spectrum, UNDERSTANDING ART, 11th Edition, will guide you through beautifully reproduced images, and transport you to museums and monuments all over the world. Observe the artists creative process from start to finish in a feature called Theory & Practice; learn to think critically about works of art in relation to one another and the context in which they were created with the Compare + Contrast feature; and gain a new understanding and appreciation of art and society by becoming familiar with art ranging from iconic works to that which surrounds you in everyday life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
